RE: CRIMINAL RECORD CHECK; VULNERABLE SECTOR CHECK

To whom it may concern:

_____ is a volunteer within the Summerside Area baseball Association for the 2023-baseball season. In this position _____ will be put in a position of trust or authority for children between the ages of 4-17 who are participating in baseball with our Association.

As per policy, it is required that all volunteers/employees who are in a position of trust or authority pursuant to the Criminal Records Act complete a criminal record check and vulnerable sector check.

Thank you for your assistance in this matter.

Nick Hann

President, Summerside Area Baseball Association.
